# About Us

QUALITY COMMUNITY HOMES LLC is committed to providing professional, ethical and quality services. We provide added value with home care and we guarantee your satisfaction. For us, the only way to be effective in what we do is to genuinely care about people. Years have come and gone but the same perspective remains in the work that we do. We care about your comfort and quality of life.

Our staff has strong background in client-centered services, case management and caregiving. We are experienced in making in-home needs assessments to help determine a client's requirements and assist in developing the care plan.

We can also coordinate care with the family and provide access to other programs. If needed, our care coordinators can make referrals on behalf of clients for other forms of assistance (with your permission).

We serve the following service areas:

## REGION 9
